CT GROUP SHAHPUR FELICITATES 'SHINING STARS'

To celebrate top performers of 10th and 12th from Jalandhar, CT Group of Institutions, South Campus, Shahpur organized 'Shining Stars'- a felicitation ceremony at its premises. In the felicitation ceremony, 1800 students who have achieved first division were honored for their relentless hard work and efforts. These students came from 140 schools and different cities of Punjab like Jalandhar, Moga, Nawanshahr etc. The students were honored with certificates and

mementos. The Chief Guest for the event remained Sh.Gurshakti Singh Sodhi, (DIG GC)Jalandhar . He honored the students in the enlightening presence of Campus Director Dr. Anupamdeep Sharma, Dr. Vneet Thakur, and other dignitaries. Dr. Anupamdeep Sharma, Campus Director applauded the efforts and said, “Students who work hard as per the advice of their parents and teachers always remain successful in life. Sometimes our laziness contributes to our failures. But those who

continue with their hard work always come out with flying colors”. Dr. Manbir Singh, Managing Director, CT Group expressed his gratitude to all the students present on this occasion. He said, “Such awards not only appreciate their work but their abilities as well. These awards help to give them due recognition in the society and motivate them to move ahead and rise above their expectations.”

1800 students from 140 schools were honored for achieving first division in their X and XII board examination

NEWS

CTIHS ORGANISED BEST OUT OF WASTE COMPETITION

Department of Sciences CTIHS organised “Best Out of Waste” competition with an aim to bring out creativity in students and utilize the waste to make useful things. Students of different departments participated in the event and showcased their talent.

CT PUBLIC SCHOOL & CT WORLD SCHOOL CELEBRATE JANMASHTAMI

CT Public School and CT World School celebrated Janmashtami with all passion and zeal. Beautiful decorations were done in the schools to make this event more cheerful and colorful. The children donned the roles of lord Krishna and Gopikas amongst many other characters related to

Janmashtami. They won the souls of spectators by dressing in such attires. The event comprised scintillating solo dance performances by the children on the life of Krishna and Radha. With their laudable performances, they lighted the stage and mesmerized the audience. The students were

judged on the basis of their makeup, expressions as well as the level of confidence. An Inter House Matki Decoration Competition was also held at CT Public School in which the students of classes 3rd to 7th participated with charm and enthusiasm, exhibiting their talent in the best possible way.

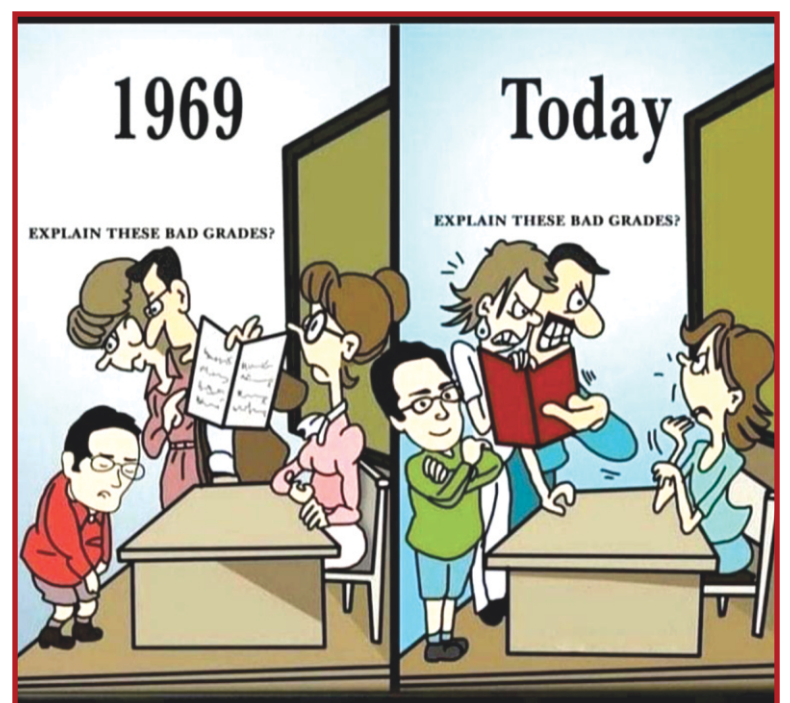

GENERAL BODY MEETING OF THE NATIONAL ASSOCIATION OF STUDENTS OF ARCHITECTURE

The National Association of Students of Architecture, also known as NASA India, is a unique student organization for architecture undergraduate students in India. In order to attend the first general body meeting where CT Institute Shahpur Campus students Sakshi (acting Unit Secretary, second

year) and Athira Parveen (acting Unit Designee, third year) traveled to Jaipur. About many architectural schools from India attended the gathering to learn about NASA's Mission, Importance, and Upcoming Contests and Awards.

CT PUBLIC SCHOOL CONDUCT A SEMINAR ON “GOOD HYGIENE”

A short awareness session on personal hygiene for girls was conducted at CT PUBLIC School by Jagnit Kaur a member of Proctor and Gamble a leading MNC company. This session aimed to demonstrate the importance of maintaining good personal hygiene and illustrate the importance of comprehensive cleaning to maintain good health and a better personality in a certain society. Personal hygiene is important for many reasons, for instance, to have a better personality, good health, for social reasons, and psychological issues. Good hygiene

perpetuates a nice image of an individual in society and emphasizing good personal hygiene can reduce the risk of many social, mental, and health problems. It can boost one's confidence and reflects a positive image of that individual to others. While interacting with students Jagnit Kaur said, “If students start learning and understanding the basic concept of Good hygiene from an early age then it will be very easy for them to be healthy.”

CT GROUP HOLDS SPORTS DAY FOR STUDENTS

Department of Sports and Division of Student Welfare organized a Sports Meet for the students of CT Group of Institutions, South Campus, Shahpur. It was a day filled with fervor and excitement, in the sprawling and lush green environment of the

Shahpur campus. This event was organized in the memory of Major Dhyani Chand. The event commenced with the participation of students in various events like badminton, volleyball, and Tug of War. On the occasion, Campus Director (officiating) Dr. Anupamdeep

Sharma, Director Research Dr. Jasdeep Kaur Dhami and Nitin Arora, etc were present and motivated the students to participate in these sports activities.

CT UNIVERSITY ORGANIZE A SEMINAR ON DEVELOPING COMPASSION FOR PUNJAB POLICE DISTRICT LUDHIANA (RURAL)

CT University organized a Motivational Seminar on ‘Developing Compassion’ with the support of SSP, Ludhiana Rural Harjit Singh (IPS). The session was conducted with an aim to spread knowledge about becoming compassionate through self-awareness for Punjab police officials. This seminar was organized under the supervision of Pro-Chancellor, Dr Manbir Singh and Vice-Chairman, Harpreet Singh by Sarghi Kaur Barring, Head Cultural affairs & Assistant Prof. The objective of the session was to help us realize the role of compassion in our personal and professional life and how becoming

compassionate helps us in creating positive influence in our personal and professional life. Most importantly, compassion is one quality that can help police officers to integrate peacefully with society, help each one of us and stand strongly for the betterment of public. The speaker of this seminar was Rishab Sharma, Deputy Director HRDC, CT University. Along with the motivational speech, Rishab Sharma also conducted fun activities to uplift unity, harmony, stability and emotional nuance. In this seminar, about sixty constables, SHOs, inspectors and senior officers such as Gurbaj Singh, PPS, SP Headquarters Ludhiana

(Rural), Harwinder Singh, PPS, DSP Detective Ludhiana (Rural), Ucee Chawla, PPS, DSP Special Crime, Ludhiana (Rural), Prabhjot Kaur, PPS, DSP Raikot, and Pawanjit, PPS, DSP Homicide, Ludhiana Rural took part. DSP, Pawanjit encouraged the policemen and said, “Nature has specially chosen us for this profession. People come to us with their problems, so we must keep our composure strong and we must listen to everyone's suffering as if it were your own”.

CT UNIVERSITY ORGANIZE THE BIGGEST START-UP CONCLAVE INSTEAD OF MEGA EVENT 'BIG FISH POOL'

CT University, Ludhiana, in its initiative to bring together young entrepreneurs from various fields, organized a mega national start-up event called "THE BIG FISH POOL" on 27th August 2022. The event was powered by Startup Punjab and supported by FINDOC and Lifestyle Wellness Centre. Event started with budding entrepreneurs pitching their start-up ideas in front of Angel Investors and Venture Capitalists, then the investors evaluated them and provided funds to the young entrepreneurs.

Top 50 startup teams from PAN India participated in the event and the event gained the support and recognition from the biggest stakeholders of the startup ecosystem where the associates from Startup India, Invest India, Department of Scientific & Industrial Research (DSIR), Ministry of Science & Technology, MSME, Startup Punjab, Invest Punjab, MentorX, IISER Mohali, STPI Mohali, IM Punjab, DBEE-Govt. of Punjab, ASSOCHAM, LinkedInLocal, Black Eye Technologies, Punjab Angel Network, The Angel Network, GNE STEP, RCED, HBF

Direct, PINS OUT, StartHub Nation, Startup Monk, PCC, AP Refineries, Axis Bank, HDFC Bank, Yes Bank, participated. 15 Investors provided the opportunity to the entrepreneurs of getting funding up to INR 6 Crores apart from the other handholding support from the stakeholders.

The event was officially inaugurated by the Hon'ble Deputy Commissioner, Ludhiana, Surabhi Malik, IAS, Chancellor, CTU, Chanranjit Singh Channi, Pro-Chancellor, Dr Manbir Singh, Vice-Chancellor, Dr. Satish Kumar and Guest of Honor, Deepindar Singh Dhillon, Jt. Director, Startup Punjab and Saurabh Jain, Ex VP Paytm, Founder Fun2Do Labs, Member NEAC on Innovation, Incubation, and Technology Entrepreneurship, Department of Science and Technology, Govt. of India. Dr. Satish Kumar, Officiating Vice Chancellor, CT University said that "Entrepreneurs aren't born, they are made". Through "The Big Fish Pool", CT University attempted to help young entrepreneurs to get a platform to showcase their ideas before the investors and get funded.

Ati Priye, Director of Planning and Development added that to realize growth and innovation, the startup ecosystem must function well for entrepreneurs. Such an "entrepreneurial ecosystem" is an interactive network of actors who influence each other and the chances of survival of a venture creator and his company in a region or country. He said that CT University is committed to building up an ecosystem that can act as a catalyst in supporting the young entrepreneurs of the region.

Furthermore, the leading and prominent schools of the region also participated and the young entrepreneurs exhibited their innovative ideas and products. The University also honoured the Top 40 Rising Startups from Punjab. The other partners of the event were 1000 Things in Ludhiana, India Accelerator-Mind plus, Lawyered, and Mishutt Financials.

OPINION

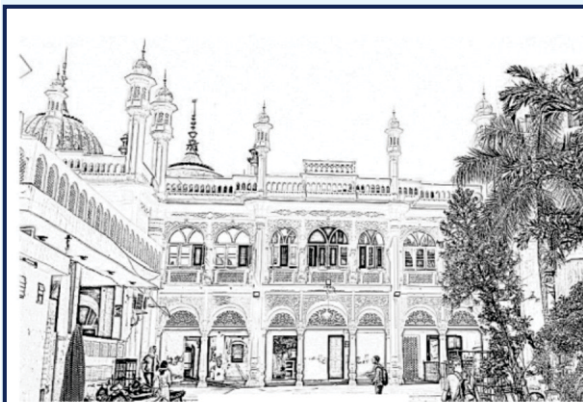

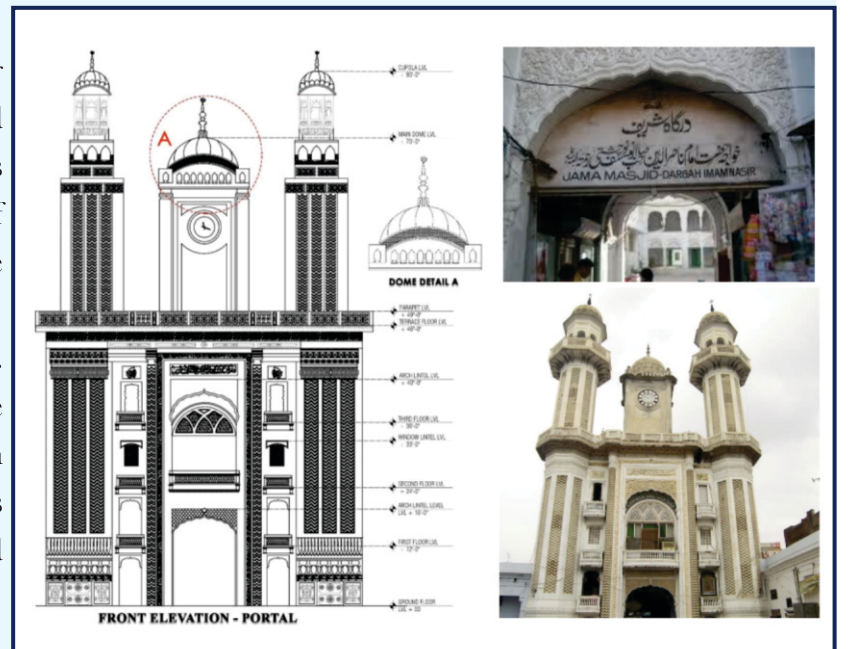

IMAM NASIR

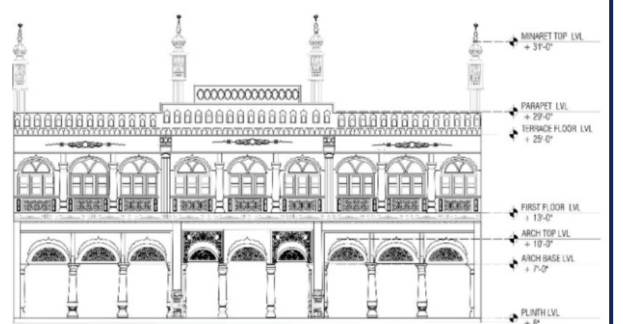

Unique Architecture Design of Mosque Place

Imam Nasir Mausoleum is one of the ancient monument. It is popular for the dargah situated near the mausoleum where Baba Farid lived and worshipped God here for almost 40 days. It is one of the most famous religious monuments located in the Jalandhar city. It's named after the name of famous Saint Imam Nasir Who came from Iran to this place as he was the follower of Baba Farid Ji.

Imam Nasir Mausoleum is almost eight hundred year old place in Jalandhar. The building is built up two stories with a clock tower at the front center of the building belonging to Typical Mughal architecture. The building is crafted with fine design of white stone and black marble work on it. The elements such as Islamic arches, chajjas and balconies, and the maximum heights of minars used to highlight's the beauty of mosque from the distance.

SKETCH

The campus have a tomb of St. Imam Nasir. There are two graves one is highly elevated that belongs to the St. Imam Nasir and the second one on the lower elevation adjoining to the Imam Nasir grave is of a thief. There was a thief who was known as Kafan Chor by the people. People complain to Khawaja Imam Nasir that Kafan Chor steals the kafan from the grave of their relatives which hurt their emotions. They request Khawaja ji to teach him lesson. Then Khawaja ji laid down in a grave. Kafan chor come to the grave to steal the kafan but he was surprised to see that Khawaja ji was alive. Kafan chor became his pupil and spent rest of his life in the tomb adjoining to the grave of Khawaja Mohammed Imam Nasir Ji.

A central courtyard is specially designed for Devotees for their gathering on occasion. There is a madrassa inside the campus where they teach Urdu and religious education to the students. There is a cemetery in the backyard of the campus having graves of the followers and the priest.

The mausoleum is surrounded by market place i.e. Sheikhan Bazar, Rainak Bazar and Peer bodla bazar etc.

HONOUR

CT UNIVERSITY RECEIVES THE AWARD FOR OUTSTANDING CONTRIBUTION IN MOOCS

CT University received the award for outstanding contribution in organizing training and spreading awareness on FLOSS/MOOCs by IIT Bombay Spoken Tutorial at IIT Bombay. CT University is the sole recipient in Punjab for this award, bagging the first position in the Northern region for imparting trainings and certifications to the students in an effective way. This award was received by Ms. Sukhmani on the behalf of CT University. Dr. Kamal Malik, Deputy Director of MOOC cell said, “MOOC cell at CTU has conducted more than 1000 certifications every semester under various courses from IIT

Bombay Spoken Tutorial. Students have undergone the training through the video lectures and proctal exams were conducted to assess them”. Dr Malik also added that not only the students but faculty of CT University reaped benefits as MOOC cell conducted various Faculty Development Programs for various courses like R Programming, Moodle learning etc for the up skilling of the faculty. CT University has a dedicated lab for MOOCS/FLOSS courses. CTU plans to keep the same standards in future also. On this auspicious occasion, Dr Manbir Singh, Pro-Chancellor, CT University and Vice-

Chancellor, Dr. Satish Kumar has congratulated the entire team of MOOC Cell and CTU for their constant efforts and also motivated them to reach at the zenith of success in near future. Dr. Manbir Singh said, “CT University is a family which prepares the students for new flight every day and under the able guidance of the University many researches and certifications of new technologies are emphasized by the teachers and students.”

It is a great honor to announce that Ms.Rachna Rana, a Ph.D. scholar in the Department of Computer Applications at CT University, has received her degree under the guidance of Dr. Yogesh Chhabra.Dean Research office heartily congratulates Dr.Rachna Rana and Dr. Yogesh Chhabra for this achievement. This is the result of their tireless efforts and commitment to research.
