CT UNIVERSITY INAUGURATES NATIONAL SERVICE SCHEME

Stepping ahead in all its achievements, CT University is approved with NSS units i.e. National Service Scheme. During the inauguration ceremony, the chief guest Dr. Kamaljit Singh Sidhu, Deputy Director/SNO Punjab interacted with the volunteers for the best motivation for youth leadership qualities and

social works. He also shared the purpose of NSS while talking to the students that it is to instil the idea of social welfare in them, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. Dr. Harsh Sadawarti, Vice-

Chancellor, CT University by adding words said that recognizing its social responsibility, the university has launched an NSS wing in which students will carry out various activities for social service such as health care camps, awareness camps in villages, collection of essential items for the needy, maintenance of

environment as well as we will be conducting speeches in villages and towns against social evils. Later, Navdeep Singh, Assistant Professor was awarded with the designation of NSS program officer.

CT UNIVERSITY HOLDS

24-HOUR NON-STOP HACKATHON TITLED TECHNOVETA 1.0

Cyber Wellness Centre named Cybertrix of School of Engineering, CT University hosted a 24 hour non-stop Hackathon titled 'Technoveta 1.0' at CTU campus. The goal of the event was to gather various developer groups to collaborate and find an innovative solution to real-world problems on Smart Automation, Smart education, Block chain & Cyber security, Tourism, Smart Vehicles, heritage & Culture Foodtech, Healthtech Artificial Intelligence and various other themes. Dr. Harsh Sadawarti, Vice Chancellor

welcomed all with great energy and after that all the participants and computer science students attended the workshop on topic "Combating Cybercrime - Tools, Tips & Tricks" conducted by Arun Soni, an internationally acclaimed author and cyber security expert from Chandigarh (India). The students worked in 15 teams with 4-6 members accompanied by the mentors. In the tight schedule of 24 hour, the students worked on various projects like "Anti Cheat Examination Portal", "Jarvis Personal Voice Assistant Using Artificial Intelligence", "IoT

enabled Risk monitoring system in Cold Supply Chain", "Smart Stick for Visually impaired", "SAP Student Analysis Program" and many other projects. During end of 24 hours, all the teams presented their project prototype to distinguished Jury members from industry and academia who heard their pitches and scored the ventures. The overall winner of Hackathon remained the team "The Turbo Coders" from CT Group of Institutions Shahpur who developed "Iot Enabled Risk Monitoring System in Cold Supply Chain". Team "Breakerz" secured

second position by developing an app to reduce food wastage and "Infinity Coders" got third position for developing a text based AI Chabot. Dr. Manbir Singh, Pro-Chancellor, CT University appreciated Munish Kaushal Director IT, & Dr. Jaspreet Kaur, HoD Computer Science & Engineering department for organizing the wonderful Hackathon and congratulated all the winners.

CT INSTITUTE OF LAW BIDS ADIEU TO OUTGOING STUDENTS

CT Institute of Law, South Campus, Shahpur organized a farewell party for its final semester students of B.A.LLB and B.Com. LLB semester X and semester VI with great fun and enthusiasm. The juniors enthralled the audience

with their group dance, solo dance and solo song performances. The students participated in a 'Fashion Show' and won different tags. Vishali Khatri was crowned with the title of Ms Farewell and Deepak Kumar as Mr Farewell. The tag of Mr. Handsome was bagged by

Harjinder Pal and Bhupinder Singh, whereas Ishani Duggal won the tag of Ms. Charming. Prabhjot Kaur bagged the title of Most Confident whereas Sunaina won the title of Best Attire. A video was played by students having glimpses of their time spent on the CT

Group campus. Out of nostalgia, many were left with teary eyes. Dr. Yugdeep Kaur, Principal, CT Institute of Law congratulated the students and wished them good luck for their future.

Vishali Khatri crowned as Ms Farewell and Deepak Kumar as Mr Farewell.

SPECIAL KIDS OF PRAYAS SPEND QUALITY TIME AT CT PUBLIC SCHOOL

Continuing its strong bond of love and affection, the special children of NGO Prayas visited CT Public School, Maqsudan. These children were given a warm welcome with smiling faces and badges. The kids had fun time in the CT Kindergarten and

enjoyed playing various games like carom, blocks and puzzles and also relished delicious lunch. On this occasion, CT Group Co-Chairperson Parminder Kaur Channi and Tanika Singh were also present and showered their blessings on them by presenting

with token of love. Co-Chairperson Parminder Kaur Channi, Principal Daljeet Rana and Vice Principal Sukhdeep Kaur said, "We have a special bond with these special children and try our level best to keep meeting them on regular basis. These children used

to participate in our half marathon as well but due to COVID-19, we couldn't get in touch with them. So now we invited these children and they had a gala fun time visiting in the premises of Kindergarten."

CT UNIVERSITY MARKS 'IBM DAY' BY HOLDING VARIOUS WORKSHOPS

CT University celebrated an IBM Day with a big boom where more than 200 students participated and 5 simultaneous workshops were held. The workshops were all about AI and Data analytics, Cyber Security and Forensics, Cloud Computing, Design Thinking and Business Analytics. Aman Bakshi and Khushboo were the resource persons from Tech Giant-IBM, who conducted the workshops and handled the students. After the workshops, there was a quiz session where the students participated with

high enthusiasm and won many prizes. Dr. Kamal Malik, an IBM co-ordinator of CT University has also said that IBM students of CTU seem to be more confident in performing various practical Applications and other activities. Vice Chancellor, Dr Harsh Sadawarti addressed the students, motivated them and guided them with new career options with these joint collaborative programs of IBM. He also announced that from now, every year on 6th of May, this IBM day will be celebrated.

CT UNIVERSITY JOIN HANDS WITH INTERCELL TO PROVIDE WORLD CLASS MENTORING

CT University has always been a pioneer in creating better career opportunities for its students, and it has now partnered with InterCell, the World's 1st AI & SaaS based platform for virtual mentoring. Students at University will now have an access to industry experts i.e., mentors from 250+ career specializations, who have had vast experience working with over 5000+ brands. From Finance to Design to Engineering and much more, students can speak to mentors across diverse function and take career guidance. Students will be able to book one-to-one live sessions with their choice of mentors, these mentoring sessions will prepare them for careers in the corporate sector. Dr. Harsh Sadawarti, Vice-Chancellor said, "University has always been a trailblazer in providing holistic development for students along with academic education. In today's technologically driven world, our students need to understand the application of knowledge in the corporate world and what it takes to succeed in a competitive work environment. Partnering with InterCell will give them live access to industry professionals

who can guide them in their future career growth." Sonu Sood, Co-founder of InterCell, said, "We are honoured to partner with University. It has a track record of providing excellence in education and equipping its students with all the skills needed for a great career. Students can forge ahead in their careers when they not only receive a holistic education from universities like CT University but also get opportunities to learn from industry experts who are available on our platform."
