CT Institute of Engineering, Management and Technology Clinches Runners-Up Position at the *IKG PTU Youth Festival North Zone*

CT Institute of Engineering, Management, and Technology (CTIEMT) proudly stood as the runners-up at the IKG PTU Youth Festival North Zone, showcasing their unwavering enthusiasm, collaborative efforts, and outstanding performances. The overall winners of the festival were Team DAVIET, while CTIEMT secured the position of runners-up. CTIEMT excelled in various categories, emerging as the overall winner in music, theatre, and literary events. Dr. Gaurav Bhargava, Dean of Student Welfare of IKGPTU, inaugurated the festival's second day, setting the tone for the spirited competition. The event was graced by the presence of esteemed guests, including Prof. (Dr) Susheel Mittal, Vice Chancellor of IKGPTU; Dr. SK Mishra, Registrar of IKGPTU; and MLA Raman Arora. Dignitaries present included Charanjit Singh Channi, Chairman of CT Group; Managing Director of CT Group, Dr. Manbir Singh; Vice Chairman Harpreet Singh; Campus Director, Dr. GS Sidhu; Director of Research and Innovation, Dr. Jasdeep Dhani; Deputy Director of Student Welfare, Davinder Singh; and Dr. Arjan, Dean of Student Welfare. Chairman of CT Group, Charanjit Singh Channi, expressed his pride in CTIEMT's achievements, saying, "Our students have once again showcased their exceptional talent and commitment to excellence. This reflects the dedication of our faculty and the enthusiasm of our students. Vice Chancellor of IKGPTU, Prof (Dr) Susheel Mittal, commended the spirit of healthy competition and the vibrant display of culture and creativity during the festival, stating, "This event exemplifies the importance of holistic development and unity among students."

CT College of Education Commemorates International Day for the Eradication of Poverty with a Social Initiative

United Nations

The International Day for the Eradication of Poverty serves as a platform to advocate for the eradication of poverty and to amplify the voices of individuals living in impoverished conditions. This year, CT College of Education in Jalandhar took proactive steps to mark this important day with a meaningful social initiative aimed at aiding the

underprivileged. In an effort to foster understanding and support for those affected by poverty, the B.Ed. students of CT College of Education undertook a compassionate mission. They visited the slum areas situated around Dayanand Nagar in Jalandhar, where they extended a helping hand to the residents enduring challenging circumstances. The primary focus of

this initiative was to provide essential supplies, including dry rations and stationary, to alleviate the immediate needs of the slum dwellers. The heartfelt and compassionate gesture led to heartwarming moments as the beneficiaries expressed their gratitude through smiles and appreciation, which served as a testament to the success of this humane endeavor.

Spiritual Reverence Takes Center Stage at CT Public School's 'Durga Stuti' Inauguration

CT Public School reverently embraced the essence of spiritual devotion and cultural significance by organizing the 'Durga Stuti' Paath for the first time. The 'Durga Stuti' is a revered prayer performed during Navratri, a festival that celebrates the Nine Forms of Maa Durga. Under the guidance of the Principal of CT Public School, Anuradha Chandel, the faculty members and students came

together to seek the blessings of Maa Durga, the Supreme Divine Force. Co-Chairperson of CT Group, Parminder Kaur Channi, graced the occasion with her presence, adding a touch of grace and significance to the event. The devotees, adorned in traditional attire, gathered to recite verses of the Durga Stuti, immersing themselves in the spiritual fervor of the festival.

CT World School Welcomes the “CT Parindey Happiness Academy”

RAJAN SYAL'S
PARINDEY
Fitness | Dance | Acting
PRS. PCT
Since 2007

CT World School proudly announces the launch of the CT Parindey Happiness Academy within its premises. This academy is dedicated to promoting mental and physical well-being through innovative and creative approaches. Rajan Syal, the founder of the Parindey Academy, emphasized the academy's commitment to helping its members address fitness and well-being related concerns through inventive methodologies. The

launch event commenced with a symbolic lamp-lighting ceremony, where students illuminated the path towards this exciting collaboration. The event was graced by the presence of esteemed individuals, including Co-Chairperson Parminder Kaur, Managing Director of CT Group Dr. Manbir Singh, core team member Tanika Channi, Principal of CT World School Amita Sharma, faculty members, and enthusiastic students.

CT University Hosts *Thrilling and Competitive 24-Hour Hackathon* *Showcasing Technological Innovation and Talent*

The School of Engineering and Technology at CT University hosted a spectacular 24-hour non-stop Hackathon underscoring a magnificent display of innovation and talent. This event witnessed the enthusiastic participation of 62 teams representing prestigious universities and colleges nationwide, including MNIT Allahabad, Manipal University Jaipur, Punjabi University Patiala, Khalsa College Ludhiana, Chitkara University, Lovely Professional University, DAVIET Jalandhar, Chandigarh Group of Colleges, Guru Nanak

Dev Engineering College, CT University, and CT Group of Institutions at Shahpur and Maqsudan campuses. The inaugural ceremony was graced by distinguished Chief Guests, Dr. Pardeep Kumar Sharma, Registrar at MohanDai Oswal Hospital, Ludhiana, and Solani Gulati, Subject Matter Expert from IBM, among other notable attendees. Pro Chancellor Dr Manbir Singh, Vice Chairman Harpreet Singh, Pro Vice-Chancellor Dr Abhishek Tripathi, Dean Academics Dr Avadhesh Gupta, Head of the School of Engineering and Technology Dr

Jimmy Singla, along with esteemed faculty members and enthusiastic students, collectively supported and encouraged the participating teams throughout the Hackathon. The event witnessed intense competition among the participating teams, pushing the boundaries of their creativity and technical skills to solve real-world problems and showcase their innovative solutions. After 24 hours of relentless dedication and hard work, the standout teams demonstrated exceptional talent and innovation, earning them well-deserved cash prizes.

CT Institution of Management & IT Spreads *Festive Joy with Diwali Donation Activity*

Embracing the spirit of the upcoming Diwali festivities, the Department of Management Studies at CT Institute of Management & IT (CTIMIT), North Campus, organized a heartwarming and impactful Diwali Donation Activity. The event aimed to celebrate the festival while also extending support to the underprivileged in the community, particularly at the Mother Teresa Orphanage in Jalandhar. The donation drive was structured to address a diverse range of needs, focusing on education, health, elderly care, and uplifting the disabled and transgender communities. The event encompassed various aspects of assistance, including

the provision of food, clothing, stationery items, hair accessories, notebooks, edible items, cakes, a variety of sweets, monetary donations, and more. Dr. Ramandeep Gautam, HOD, Assistant Director of the Management Department at CTIMIT, Maqsudan Campus, emphasized the significance of such initiatives, stating, "Your presence and time can illuminate the lives of children who may have forgotten how to smile." Dr. Yogesh Chhabra, Director of CT Group of Institutions, expressed, "A life not lived for others is not a life. Give your hands to serve and your hearts to love."

CT University Successfully Hosts a 10-Day Combined Annual Training Camp-51 with NCC Units

CT University proudly served as the host venue for the successful completion of the 10-day Combined Annual Training Camp - 51, organized by the 3 PB BN NCC Ludhiana. The inauguration of the event was marked with fervour and high spirits under the guidance of Colonel Naresh Kumar, the Commanding Officer of 3 PB BN NCC Ludhiana. This gathering brought together NCC battalions from the region, fostering a strong sense of camaraderie and patriotism among the participants. The participating battalions included 3 PB (Girls) BN Air Squad, 5 PB BN NCC, 6 PB (Girls) BN NCC, 13 PB BN NCC, 19 PB BN NCC, and 25 PB BN NCC, amplifying the

significance and grandeur of the camp. A notable highlight of the event was the historic inauguration of the firing range by the Deputy Commander. The presence of Ludhiana Group Commander, Brigadier H.S. Chauhan, on October 26 added motivation and inspiration to the cadets, enhancing the event's importance. The camp featured a myriad of activities aimed at honing cadets' skills, promoting physical fitness, and fostering teamwork. These activities included firing and drill competitions, cultural events, sports competitions, athletics, and the prestigious Pre-RDC (Republic Day Camp) selection, a significant event in the NCC calendar. The exemplary

conduct and exceptional skills demonstrated by outstanding cadets were recognized and honoured by Lieutenant Colonel D. Dhadwal, the Administrative Officer from 3 PB BN NCC. Their dedication and discipline set a commendable example for all, highlighting the significance of leadership and teamwork within the NCC. Chancellor Charanjit Singh Channi expressed, "The hosting of the Combined Annual Training Camp at CT University stands as a significant milestone in our institution's history. It not only enriches the legacy of CT University but also serves as a source of inspiration, motivating students and cadets to consider careers in the defence forces."

CT Public School's Ghostly Gala: *Inter House Halloween Showdown*

CT Public School organized an engaging and thrilling Inter House 'Spooky Halloween Competition'. The event served as a delightful break from the usual academic routine, fostering a positive and lively atmosphere within the school premises. CT Goblins and Gremlins animatedly transformed the school into a mischievous Halloween haven. The students, demonstrating their active and adventurous spirits, wholeheartedly embraced the challenge of becoming fearless Halloween explorers. Their vibrant and imaginative costumes not only showcased their adventurous flair but also highlighted the significance of staying active and enjoying

creative expressions. The 'Spooky Halloween Competition' was a resounding success, creating a spooktacular ambiance that delighted all participants and observers alike. The results of the Inter House Competition are as follows: 1st Position: Mother Teresa House, 2nd Position: APJ Abdul Kalam House, 3rd Position: Kalpana Chawla House. Principal CTPS, Anuradha Chandel, and Vice Principal, Sukhdeep Kaur, expressed their heartfelt appreciation for the boundless creativity and enthusiasm displayed by the young wizards, superheroes, and creatures that contributed to the event's success.

GLIMPSE

CT University Promotes Fitness and Well-being with Weekend of Wellness

CT University, in partnership with the Commissionerate of Police Ludhiana, organised an exceptional event, the Weekend of Wellness (WOW), held at Kuliawal Playground, Chandigarh Road, Ludhiana. This extraordinary occasion was aimed at promoting the virtues of healthy living and fitness among community members. The event, conducted on a Sunday morning from 6 am to 9 am, congregated a diverse gathering of individuals across all age groups, engaging in a multitude of fitness activities. The Kuliawal Playground transformed into a hub of health and vitality, fostering an open space where participants joyously immersed themselves in synchronized dance movements, diverse workouts, and various recreational activities. Witnessing an active participation from the community, the event became an open-air

confluence for dance, art, exercise, and yoga, fostering an atmosphere of togetherness and wellness. ACP Gurdev Singh graced the occasion, accompanied by (Inspector) Sudagar Ali PCR Incharge Ludhiana, further accentuating the significance of the event. The activities, ranging from Zumba to basketball, cricket, and yoga, offered a memorable experience for everyone present. Pro Vice-Chancellor Dr. Abhishek Tripathi expressed the event's core objective: encouraging people to adopt healthier lifestyles through activities such as walking, cycling, and various fitness-related exercises. The event served as a powerful reminder for citizens to reclaim designated spaces for well-being and physical fitness. Emphasizing the importance of a healthy body and the initiative towards a drug-free Punjab, ACP Gurdev Singh Ludhiana underscored the

significance of promoting a healthier lifestyle. The resounding success of the event was made possible through the generous support and collaboration of various partners, including Decathlon, MUMMy WEB ERP, Janotra Convent School, Dragon Bhangra Academy, Waheguru Blood Sewa, Karayat Defence Academy, Ahmedgarh Paddlers, Elevate Wellness Club, National Chamber Of Education & Development, Everest Yoga Institute, and YOG Parivar. Notable dignitaries present at the event included Pro Vice-Chancellor Dr. Abhishek Tripathi, Deputy Director of the Department of Student Welfare Davinder Singh, Amandeep Tangri Additional Director of the Department of Admissions, along with esteemed faculty and students.

Exploring Study Prospects in Europe

Article By:

Dr. Manbir Singh
Managing Director
CT Group

Studying in Europe presents a rich tapestry of educational

possibilities, cultural immersion, and career advantages. Consider these essential factors when delving into study prospects in Europe:

Educational Excellence: Renowned universities in the

United Kingdom, Germany, France, the Netherlands, and Switzerland offer diverse academic programs across various disciplines known for their exceptional educational systems.

Program Diversity:

European universities provide a spectrum of undergraduate, graduate, and doctoral programs. Whether your interests lie in arts, sciences, engineering, business, or social sciences, you'll find programs aligned with your career aspirations.

Language Options:

While English is prevalent, some courses are taught in the local language. However, many universities offer courses in English to accommodate international students.

Cultural Exposure:

Immersion in diverse cultures and languages fosters a global perspective and enhances interpersonal skills by interacting with students from varied backgrounds.

Research Opportunities:

European universities excel in cutting-edge research and innovation, offering access to groundbreaking projects through collaborations with industries, research institutions, and government bodies.

Travel and Exploration:

Proximity among European nations makes traveling and exploration convenient, enriching personal experiences and broadening horizons.

Schengen Area:

Participating countries in the Schengen Area enable visa-free travel within its borders, facilitating movement for students.

Funding and Scholarships:

Various European countries provide financial aid through scholarships, grants, and funding to support international students in covering tuition and living expenses.

Work Opportunities:

Some European countries permit part-time work during studies, offering valuable work experience and financial support to students.

Post-Study Work Options:

Several countries extend post-study work visas, enabling international students to pursue employment relevant to their field of study after graduation.

Application Process:

Admission procedures vary by country and institution, usually involving academic transcripts, language scores, recommendation letters, statements of purpose, and other necessary documents.

Costs:

Tuition fees and living expenses vary across European nations, with some offering affordable or free education for international students.

CT World School Radiates the Spirit of Dussehra, Honoring the Triumph of Good Over Evil

The spirit of Dussehra echoed through CT World School, resonating with fervor and enthusiasm as the celebration marked Lord Rama's historic victory over Ravana, reinforcing the timeless message of the triumph of good over evil. The event saw students presenting the epic tale of the "Ramayana" through a vibrant play, culminating with the symbolic burning of the effigy of Ravana. Their captivating

performance mesmerized not only the attending students and guests but also engaged the digital audience. Adorned in delightful and attractive outfits, the participants' charm and presentation brought joy to all who witnessed their spirited performance. The confidence and high energy levels displayed by the performers were a source of amazement for the spectators, who remained wholly engrossed

throughout the enactment. Principal Amita Sharma of CT World, acknowledging the commendable efforts of both educators and students, highlighted the festival's profound message that wrongdoings eventually come to light. The festival serves as a reminder that despite any challenges posed by evil forces, truth and righteousness inevitably emerge victorious.

CT PUBLIC SCHOOL COMMEMORATES 'NATIONAL UNITY DAY' IN HONOR OF SARDAR VALLABHBHAI PATEL

CT Public School joined the nation in celebrating Rashtriya Ekta Diwas, dedicated to honoring the birth anniversary of Sardar Vallabhbhai Patel, fondly remembered as the Iron Man of India. The school conducted a special assembly to instill the spirit of unity and integrity among its students and faculty. The solemn Rashtriya Ekta Diwas Pledge was taken by both students and teachers, symbolizing their commitment to upholding the unity, integrity, and security of the nation against any threat. An essential aspect of

the day's celebration was the organization of the Run for Unity, a collective effort to promote the cause of national unity. This event served as an endeavor to solidify the bond of oneness and unify the community in support of "National Unity Day." Principal CTPS Anuradha Chandel expressed her heartfelt appreciation for the remarkable leader, Sardar Vallabhbhai Patel, recognizing his invaluable contributions during the freedom struggle and his efforts to lay the foundation of a unified, integrated nation.

Announcement from the Dean of Research Office: Acknowledgment of Successful Ph.D. Thesis Defense

It is with great delight that the Dean of Research Office extends heartfelt congratulations to Ph.D. scholar Ifshana Wahid, specializing in English, and Dr. Nancy, the esteemed Supervisor, for the successful completion of the Final Defense presentation of the Ph.D. Thesis.

CT Institute of Architecture Students Immerse in Sustainable Creativity at NASA Event in Jaipur

The students of CT Institute of Architecture had the unique opportunity to attend the National Association of Students of Architecture (NASA) event at Poornima University's School of Architecture in Jaipur. This event, hosted at the university's campus, was a five-day extravaganza that provided a platform for budding architects to engage in creative workshops and enrich their knowledge about sustainable architecture. During the event,

students participated in a range of engaging workshops that included bamboo making, tie-dye painting, and charcoal painting. These hands-on experiences allowed them to explore different artistic expressions and techniques. The emphasis on sustainability was evident through a series of informative seminars, where experts shared insights on creating eco-friendly and sustainable architectural designs. Sakshi Saini, the Union Director of NASA from CTIAP,

played a pivotal role in representing the college's work. She expressed her excitement about the event, emphasizing the importance of such gatherings for architecture students. "This experience was not only enriching but also essential for architecture students. It provides a valuable platform for exposure, learning, and networking with peers from architecture colleges across the country," said Sakshi Saini.

TOXIC HAZE ENVELOPS NEW DELHI, LEADING MOST POLLUTED CITIES GLOBALLY; AQI SOARS TO 483

- New Delhi, Kolkata, and Mumbai are categorized among the world's most polluted cities as per Swiss Group IQAir.
- New Delhi tops real-time air quality charts with an alarming AQI of 483, followed by Lahore at 371.
- Kolkata and Mumbai also witness severe pollution, recording AQIs of 206 and 162 respectively.
- Experts and medical professionals recommend an AQI below 50 for a healthy living environment.
- Thick toxic haze engulfs New Delhi, raising grave concerns about public health and air quality standards.

#	MAJOR CITIES		US AQI
1		Delhi, India	483
2		Lahore, Pakistan	371
3		Kolkata, India	206
4		Dhaka, Bangladesh	189
5		Karachi, Pakistan	162
6		Mumbai, India	162
7		Shenyang, China	159
8		Hangzhou, China	159
9		Kuwait City, Kuwait	155
10		Wuhan, China	152
